Professor: Ronald Christensen

Office: 464 Humanities Building

Phone: 277-4619

E-mail: fletcher@stat.unm.edu

Web: stat.unm.edu/~fletcher

Office Hours: Tuesday, Thursday 2:00–3:15 and by appointment.

Texts: Christensen, Plane Answers to Complex Questions: The Theory of Linear Models (PA) and Christensen, Advanced Linear Modeling (ALM).

Prerequisites: Stat 546

Material: We will cover Chapters 1, 2, 3, 6 of ALM. Chapter 12 of PA, and other topics.

Homework: Homework will be assigned but not graded. You are encouraged to form groups to work together on homework to solidify your knowledge of the material.

Grading: There will be numerous quizzes to determine your grade.
