ACA 2020 proposal

Athens, Greece

Ilias S. Kotsireas, General Chair (Waterloo, Canada)

Dimitris E. Simos, Program Chair (Vienna, Austria)

MATRIS

SBA Research

Summary of the proposal

- We propose to organize the **ACA 2020** conference in **July 2020** (exact dates to be determined in consultation with ACA WG), in **Athens Greece**
- **The main idea is to hold ACA near the ISSAC 2020, to he held in Kalamata, Greece,**
  July 20-23, 2020

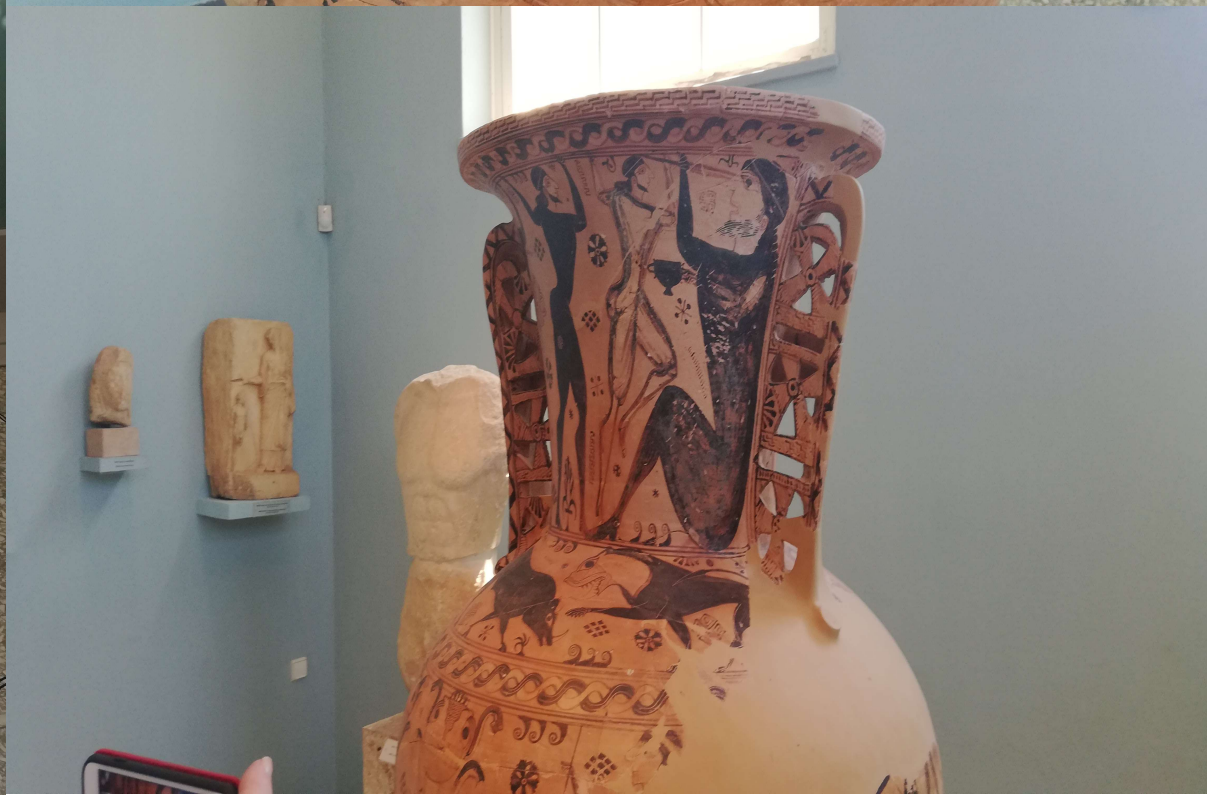
Conference Venue

- We propose to hold the conference at the **National Insurance Conference Center**, located near the city center.

http://athenaeum.intercontinental.com/meeting-room-ethniki

Conference Format

- We propose to maintain the format of the ACA meetings, consisting of **special sessions**
- Further, we aim towards a cross-disciplinary character of the meeting
- We plan to mobilize our **extensive academic and research networks** on the fields of *combinatorics, symbolic computation, ML/AI, software engineering, cryptography and security,* in cooperation with the ACA WG

Conference Proceedings


- In cooperation with Springer
