

The Applications of Computer Algebra Early Researcher Award 2025 • ACA-ERA 2025

<https://math.unm.edu/aca.html>

Bylaws

- The annual ACA Early Researcher Award (ACA-ERA), has been established in May 2021 by the ACA Working Group (WG) with the help of the sponsors listed below.
- Any member of the ACA WG or any current/previous session organizer and ACA Chair can submit one nomination.
- Nominees must be active researchers, not more than 15 years after their PhD graduation, on the year of their nomination.
- All nominations will be acknowledged by e-mail and will remain confidential. Nominations will be evaluated by the committee and one or multiple winners will be selected.
- The ACA-ERA recipient(s) will be announced at the ACA business meeting during each year's ACA conference.
- Nominations are to be sent to all committee members by e-mail. The nomination deadline is one month before the starting date of the ACA conference each year.
- The ACA-ERA committee consists of the current and previous chairs of the ACA WG. Other ACA community members may be invited to participate (or consult the committee) as well.
- The ACA-ERA consists of a monetary stipend (to be shared equally among recipients) as well as public acknowledgment of this award (certificate main ACA webpage recognition)
