

Mid-Semester Evaluation

Calculus 1 – MATH 162

1. In your opinion, what should my role be as your TA?
2. With regard to this class, what would you like to have accomplished by the end of the semester?
3. What is your favorite U.S. state?
4. Please write down something you would like me to continue doing.
5. Please write down something you would like to see changed.
6. Please write down anything additional you would like me to know.

Thank you.
