## UNM Summer Math Camp Weeks 1-3: May 28 – June 19, 2015

# **Application Form**

Full applications must be received before **Friday April 3rd**, 2015, 5pm MST Please also email stating your intent to apply by **Friday March 27th**, 2015.

### Supported by an NSF Mentoring through Critical Transition Points award

To apply for Weeks 1-3, please email the following items to mctp@math.unm.edu (in one email message please), with subject: "Summer Camp 2015 Weeks 1-3, Your Name": (1) completed application form (fill both sides of this form out by hand, scan, and email it) (2) personal statement of intent (this is very important!) (3) copy of transcripts (originals NOT needed). In addition, all students need to ask one of their mathematics instructors to write a letter of recommendation and email it to the above address, with subject: "LOR Your Name".

**Note:** Your "personal statement of intent" should contain a brief description of your goals and the reasons for applying to the program.
